

**ATA DA ASSEMBLÉIA GERAL ORDINÁRIA DO CONDOMÍNIO DO EDIFÍCIO NOVO CENTRO MULTIENTREPRENSARIAL, REALIZADA EM 18.12.2023.**

Aos dezoito dias do mês de dezembro do ano de dois mil e vinte e três (18.12.2023), em segunda e última convocação, às 18:00h, reuniram-se em Assembleia Geral Ordinária (AGO), conforme assinaturas na Lista de Presenças, 0,257225 titulares de frações ideais do terreno, em cumprimento ao Edital de Convocação, publicado no Jornal Correio Braziliense de 05/12/2023, com a seguinte pauta: 1) Aprovação orçamento para 2024. Dando início à Assembleia, a Sra. Síndica convidou o Dr. Enoque Elias da Silva para presidir os trabalhos, enquanto que a mim coube secretariar a AGO. Passou-se então à discussão do tema constante na pauta: 1) Aprovação orçamento para 2024 - O Sr. Presidente passou a palavra ao Sr. Lucas Lima, Contador, para que este fizesse a apresentação de seus estudos baseados em dados estatísticos assimilados na vigência do presente exercício financeiro que se finda. Neste cenário, foi esclarecido aos presentes que se levou em consideração as variações dos preços públicos experimentados neste exercício, com ênfase para os reajustes salariais definidos pelo o SEICON-DF e o SINDICONDOMÍNIO, consubstanciados na Convenção Coletiva do Trabalho – CCT/2023, a qual o Condomínio deve obediência no que tange a praticamente todo o seu quadro de pessoal, exceção feita aos Brigadistas que são vinculados a outro Sindicato específico, mas que os reajustes se assemelham quantitativamente. Outrossim, foi dado idêntico tratamento aos contratos com os prestadores de serviços cujos reajustes se baseiam na variação do IPC/FGV de todo o período anual considerado. Ao final levando-se em consideração todas essas variáveis se chegou à conclusão de que o valor da taxa ordinária mensal deveria ser reajustado em 8,14% (oito vírgula quatorze por cento), a partir de JAN/2024. Entre os presentes foi sugerido que esse aumento de 8,14% fosse fracionado em 5,5% para os meses de JAN a MAR/2024, quando, então, por ocasião da próxima AGO de aprovação de contas prevista para a segunda quinzena de março de 2024, fosse feita uma reavaliação dos gastos devidos no primeiro trimestre de 2024, para, enfim, se chegar a uma revisão dessa taxa ordinária de condomínio para os 8,14% projetados neste momento pelo Contador, ou, se for o caso, se adequar para a real necessidade da receita para suportar as despesas ordinárias do Condomínio. O Sr. Presidente, então, colocou em votação a proposta de reajuste de 5,5% (cinco e meio por cento), para a taxa ordinária de condomínio para o primeiro trimestre de 2024 (JAN, FEV e MAR/2024), e, por ocasião da próxima AGO, prevista para MAR/24, se fizesse uma reavaliação desse percentual para, se for o caso, se proceder ao reajuste final do valor da taxa ordinária de condomínio a ser praticada no exercício de 2024. Esta proposta foi aprovada por todos, a unanimidade. **NADA MAIS HAVENDO A TRATAR**, foi dada

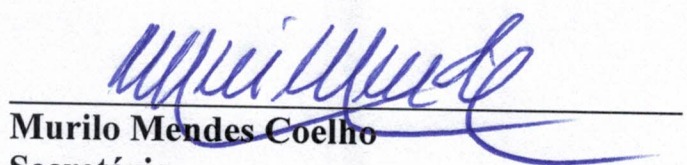

por encerrada a Assembleia (AGO), e eu, Murilo Mendes Coelho, que a secretariei, concluo esta Ata que vai devidamente assinada pelos componentes da Mesa que presidiram os trabalhos.
